

Experience and Judgment *are important.*

"I admit I voted against the Race Brook Country Club purchase." **Really??**
*"What are we getting for it...?"** Connor Deanne

* Orange Chamber of Commerce debate 10/7/2021

1. Jim Zeoli saw the value of purchasing the Race Brook property and brought it to the people of Orange.
2. All Selectmen, **both Democrat and Republican**, voted in favor of the purchase.
3. Voters in referendum approved the purchase.
4. Now this **287 acre green space is protected** for current residents and future generations.

The Benefits for Orange Residents are **UNDENIABLE.**

"It's the first time that the Town has bought any open space that we're being paid back for." **Jim Zeoli**
